

House Dress Code

Denim apparel can be worn from the WGCC parking lot to the respective members' locker room or to the bag rooms where either the curling or golf equipment are stored.

Jeans must be worn tightly around the waist, they must be neat and in good repair (no tears, frays, tatters, or holes). To gain entrance to the clubhouse, members may use either the front or side entrance (adjacent to Administration Office) but not the rear entrance (Pro-Shop).

In the official golf season (May 1 to September 30) denim apparel is not permitted anywhere on the WGCC property, other than the designated areas that are described above. Should there be a social event planned (e.g. Western Night) a special notice will be issued.

In the winter season (October 1 to April 30) denim apparel can be worn; jeans in neat and good repair (no tears, frays, tatters, or holes) must fit tightly around the waist. Denim apparel will be permitted in the Hunter Lounge and Bradshaw Room only. The only exception applies when there are dining events planned; in this event, denim apparel is only permissible in the Hunter Lounge.

No cargo or jogging pants are allowed. No rubber or plastic flip-flops or footwear of the "Croc" variety are allowed in the clubhouse and surrounding areas. Men may not wear open-toed shoes, or beach sandals.

Note: Children under the age of ten are permitted to enter WGCC in casual dress without restrictions.

Dress code for the dining room is posted for specific events according to the following categories:

Formal: Dress or pants/skirt and blouse combination for ladies. Suit or jacket, dress shirt, with or without tie, for men.

Smart-Casual: Dress or pants/skirt and blouse combination for ladies. Jacket, no tie, open-collared shirts, turtle neck or ascot for men.

Informal: Golf attire as per golf course dress code for ladies. Golf attire as per golf-course dress code for men. Casual shoes without socks are acceptable.

Members should refer to notices, or call the Club, for the dress code for specific events.

Note: During winter months, exterior footwear must be removed before entering the Club.
